

Dear Parents of the Class of 2029:

Welcome Aboard! Congratulations on your son's or daughter's appointment to Kings Point, the toughest of the five FSAs!! The National Parent Association is here to prepare you, and support you for this incredible, challenging journey you are about to embark. Fasten the seatbelts!

At the National Parents Association (NPA) we provide support to all parents, Plebe Candidates, Plebes, and Midshipmen. No one can make it through Kings Point alone. From preparing you for Indoctrination to supporting you throughout all four years, the NPA and local chapters are in place to support families and Midshipmen throughout the next four years

On July 3rd, you will quickly move from the driver's seat, to the to the backseat, and be along for a ride that is hard to explain. Just as the Plebe Candidates will have tremendous support within the Regiment, the NPA and local Chapters will provide similar support to the Parents of the Class of 2029.

The days and nights at the Academy can be long and grueling, but know the years will pass quickly. Enjoy the moments on this journey.

Please join the following Face Book pages, and be certain to answer all the questions when joining. These are "parent only" pages and run by the NPA and are a great source for the latest information.
